Dear Avery A&H Fair Attendee,

On behalf of the Avery A&H Fair Board, we would like to welcome you to the 19th annual Avery A&H Fair. We have worked very hard to make this year's fair a reality. It has been challenging times for all of us, but we are excited about what you will experience.

The county fair is a time where we as a community can come together and enjoy the fruits of our labor. Whether you are a 4-H'er entering your first pumpkin or an accomplished photographer, it is your chance to show everyone what you can do. It is also a time of remembering our heritage, and this year is no different. As Avery County celebrates its 100th birthday, we can rest assured that as long as our fair continues, the heritage of our ancestors will not be forgotten.

The fair is an ancient tradition and its beginnings can be traced back to Roman times. 100 years ago a fair was the location of commerce and education. It was a time that everyone came together to show how their crops and livestock were doing and to showcase their crafts. Ideas and new agricultural advances were discussed and this new information was transferred to all of the attendees. A fair is not only fun, but educational. It is also a safe economical way to spend time with our families.

Inners Midway Shows will provide the rides again, and we are very happy to have them return with the different variety of safe rides they offer.

Please take some time and review the 2011 premium book. We hope you will find many different events and shows that will be fun for your entire family.

We look forward to seeing you at the 2011 Avery A&H Fair.

Thanks,
The Avery A&H Fair Board
